# Destination Development Summit

**Manning Hausbarn Heritage  
Conference Center  
130 Heritage Drive, Manning**

**“When it comes to Tourism, if you don’t hang out in your town, neither will visitors. They go where you go!” - Roger Brooks**

Jobs are now going where the talent is or wants to be. For the first time in U.S. history, quality of life is leading economic development. That means “Community Development” should be the priority and if you become a desirable place to live, then economic & tourism development will follow. This is where you come to get bottom line answers and solutions—real information you can use right away to make a great change in your community!
